NARRATIVE:

Augustine has an extensive adult criminal history that began at the age of 23 years old and includes convictions for multiple carrying a loaded firearm in public, grand theft, robbery, receive known stolen property, and violation of parole. He has served multiple prior state prison terms, the longest term being 36-months for robbery. He was released most recently from state prison to the supervision of the Los Angeles County Probation Department on November 24, 2011 after serving a term for receiving known stolen property. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2013 after Augustine absconded from post release community supervision (PRCS). Augustine qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for receiving known stolen property is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
